

# Hansford County Appraisal District

## Annual Report 2018

The Hansford County Appraisal District is a political subdivision of the State of Texas. The provisions of the Texas Property Tax Code govern the legal, statutory, and administrative requirement of the appraisal district. Members of the Board of Directors are elected by the taxing units within the boundaries of Hansford County and must live within the district two years prior to serving on the board. The Chief Appraiser is appointed by the Board of Directors and is the chief administrator of the appraisal district. The appraisal district is responsible for local property tax appraisal and exemption administration. The local taxing units such as county, schools, cities, and groundwater conservation district set a tax rate from the property tax appraisal issued by the Appraisal District. The Hansford County Appraisal District serves the following taxing units:

Exemption Data: The district has various exemptions that taxpayers may qualify for; Homestead and Over 65 residential exemption. You may only apply for residence homestead exemption on one property in a tax year. A homestead may include up to 2 acres of land you actually use in the residential use (occupancy) of your home. To qualify for a homestead exemption, you must own and reside in your home on January 1 of the tax year. The age 65 or older or disability exemption for school taxes includes a school tax limitation or ceiling. Some taxing units such as county and cities have exemptions and tax ceilings limits. The filing of this application is between January 1 and April 15. You may file a late homestead exemption if you file it no later than one year after the date taxes become delinquent. There is also a Transfer of Tax Limitation or Ceiling Certificate if you move out of the county; this can transfer to the new county you reside in.

#### AGRICULTURAL 1-D-1 OPEN SPACE AND WILDLIFE MANAGEMENT

Because of Senate Bill 771 there is a temporary recession of agricultural use during the drought. Qualified open-space land does not become ineligible for the special appraisal when a drought is declared by the Governor. The Governor has declared the necessity to cease agricultural use for longer than normal time period. We will work with our Farmers and Ranchers during the drought.
